Hello from Aequitas

Aequitas Legal was founded by Suchheet Amin, a Solicitor with extensive experience in personal injury law.

Suchheet has practiced in this area of law for over 16 years and during that time, has come to understand the needs of clients who have had the unfortunate experience of an accident that was not their fault and wanted to establish a law firm where caring for its clients is the primary aim.

Different in every way...

*At Aequitas Legal, we love
to put our clients first,
right from the very start.*

We think it's really important to
get to know the people who can
help you with your case, using
their knowledge and experience.

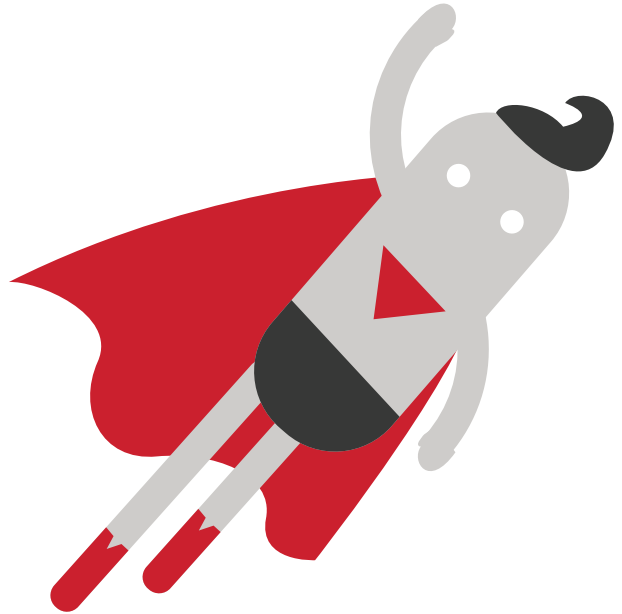

So what can we do for you?

By caring for you and putting you at ease, you can be confident you've come to the right place.

Our Solicitors have the specialist knowledge needed, to enable your case to be dealt with efficiently.

We can ensure that you are compensated properly for the losses and injuries you have suffered.

We care...

We keep you informed

We adopt a proactive approach to our clients' needs using the latest communication technology available. We want to keep you advised throughout the duration of your case to ensure that you are kept fully informed.

*Leaving you to concentrate
on getting better...*

Why do we exist?

We exist to right a wrong.

We make a difference by thinking, acting and behaving differently.

We believe in putting people at the heart of our actions because we care.

We just happen to be great lawyers!

We win awards

From the very beginning, we have been recognised for our original and pioneering ways of looking after our clients.

It is really important to us at Aequitas Legal to receive feedback from our clients about our service. It helps us to constantly improve our service.

*Not your average
law firm...*
